

We have started from scratch and at every step of setting up as a new community group, the Resource Centre has been invaluable. The information on the website is extensive, clear + very relevant to everything we have had to do.

Banyan Tree Theatre Group

Helping small groups make a big difference in Brighton & Hove

The service is an excellent community support allowing groups like us to function. Before we found the Resource Centre we struggled to find equipment - the centre has solved all of our problems allowing us to run a really popular, educational & fun group.

Nerd Nite

Helping small groups make a big difference in Brighton & Hove

I'm so glad the Resource Centre exists! You make it easy and affordable for us to organise street parties, which is invaluable to our community and neighbourhood.

Reigate Road residents

Helping small groups make a big difference in Brighton & Hove

A brilliant service - affordable and endlessly useful. Community groups in BTH would suffer and be under-resourced without the R.C.
