## References

Please give us the name and contact details of two people we can approach for references.

If you are in paid or voluntary employment, or have been within the last year, we would prefer that one of the references is your current or last employer. We will take up references after we have made a decision to offer you the job (subject to references).

In all cases please tell us why you have given this person as a referee eg they are your last employer, or a co-worker in a group in which you are involved.
